EXTENSION AND COMMUNITY INVOLVEMENT

C. Community Involvement and Participation in Extension Activities

C.1 Evidence of community participation in planning and implementation of extension projects/activities

CvSUlong Edukasyon, ALS Extension Project of the BSE program just yet to start since the MOA with partnered institution (DepEd-Cavite) was just approved by the board last April 2022. ALS classes will begin on August 2022. No evidence of participation yet to be shown here at this point. Yet we have constant communication and meetings with City Link Coordinators of 4Ps and the ALS Coodinator

Dear Sir Neil:

Good day!

It was our pleasure to meet you last week in your office and discuss our extension services to our linkage partner and beneficiaries (DSWD and 4PS, respectively). May we invite the 4Ps members to join us by enrolling or register themselves to one of our training programs. They can pre-register using the link below:

https://docs.google.com/forms/d/e/1FAlpQLSfIHUwr6kHXTviafzoywh8D8Rlka4sf29zQjwtk5f7mjHCCTw/viewform

You may also contact us through 09563797592 for inquiries and assistance. Please see our Extension Flyer to check on the training services we offer. The training services we offer are all free and they will be provided with further assistance for possible business opportunities or employment or for career development in the future after the completion of the training program.

Hoping to hear from you soon.

Thank you for your support.

Sincerely yours,

Roncesvalle J. Caipang

Inter-Agency Meeting with DSWD 4Ps Facilitators. One of the Agenda of the Meeting was to discuss the CvSU-General Trias City Campus proposed Extension Program for their 4Ps members

C.2 Evidence of technology adoption, utilization commercialization.

CvSUlong Edukasyon, ALS Extension Project of the BSE program just yet to start since the MOA with partnered institution (DepEd-Cavite) was just approved by the board last April 2022. ALS classes will begin on August 2022. No evidence of transfer or adoption yet to be shown here at this point.

Non-BSE Extension Activities conducted showing involvement of the community

To : MRS. ESTELITA A. VILLA Campus Coordinator Cavite State University City of General Trias Campus

Dear Mrs. Villa:

Good day!

We, the Eves of Seven Women's Group, as a chapter of Nagkakaisang Kababaihan ng General Trias(NKGT), requesting your good office to hold a "Candle Making Training". This would be a big help to improve more our skills to be utilize in all our livelihood programs and projects, since we already had several trainings conducted with the partnership with Cavite State University. City of General Trias Campus. The results are beneficial to the members of our organization as we tend to manufacture our own dishwashing and fabric conditioner; as well as our own products, tocino, tapa and siomai.

We are hoping for your favourable response on this matter.

Thank you and God bless.

Sincerely yours,

ERMINA L/MENDOZA

President

Eves of Seven Women's Group

Eves of Seven Women's Group- Extension Services Linkage Partner have started producing their own dishwashing liquid and fabric conditioner after receiving the training. Last September 28, 2018, this group of women from Brgy.Arnaldo of General Trias City attended a training on Dishwashing Liquid and Fabric Conditioner production sponsored by CvSU-General Trias City Campus. Their products have been distributed in all areas in General Trias City based on orders. They made this a source of additional income.

The Eves of Women's Group participated the Extension Trade Fair Exhibit held at CvSU-Main Campus on February 12-14, 2019 (Upper). They supply products to nearby food stores.

EXTENSION PROJECT PROPOSAL

I. PROJECT DESCRIPTI	ON
Project Title:	CxSUlong Edukasyon: "ALSin ang Hadlang Upang Makatapos ng Pag-aaral"
Agenda Classification:	Societal Development and Equality
Proponents:	BSE Program headed by Mr. <u>Victoriano</u> P. <u>Barliso</u> (Program Coordinator) and Alexa Jean Q. <u>Colocado</u> (Program Extension coordinator), Roncesvalle J. Caipang (Department Chairperson)
College/Campus:	Cavite State University - General Trias City Campus
Collaborating Agencies:	DSWD, DepEd Als-Division of General Trias City, Cavite
Target Beneficiaries:	DSWD 4Ps Out of School Youth and Adult
Community Location:	City of General Trias, Cavite
Period of Implementation:	10 months- 1year
Budgetary Requirement (PhP):	Seventy Thousand pesos (70,000)
II. RATIONALE	

According to the Department of Education, the Alternative Learning System or famously called ALS is a parallel learning system in the Philippines that provides a practical option to the existing formal instruction. When one does not have or cannot access formal education in schools, ALS is an alternative or substitute.

ALS includes both the non-formal and informal sources of knowledge and skills. Many Filipinos do not have a chance to attend and finish formal basic education (Grades 7-10) due to many reasons. Some drop out from schools while some do not have schools in their communities. Since every Filipino has a right to free basic education, the Government establishes ALS to provide all Filipinos the chance to have access to and complete basic education in a mode that fits their distinct situations and needs.

There are two major programs on ALS that are being implemented by the Department of Education, through the Bureau of Alternative Learning System (BALS). One is the Basic Literacy Program and the other is the Continuing Education Program – Accreditation and Equivalency (A&E). Both programs are modular and flexible. This means that learning can take place anytime and any-place, depending on the convenience and availability of the learners.

Formal Education system is classroom-based, managed by trained formal school teachers.

ALS Non-formal Education happens outside the classroom, community-based, usually conducted at community learning centers, barangay multi-purpose hall, libraries or at home, managed by ALS learning facilitators, such as mobile teachers, district ALS Coordinators, instructional managers at an agreed schedule and venue between the learners and facilitators.

(All information taken in toto from DepEd)

In General Trias City, there are those who have undergone studying the ALS program and have eventually gone to college afterwards. There are many success stories related to ALS. This is what this extension is hoping to achieve as a means of help to the city where CvSU is located.

With the ALS program, CySU in Gentri will be able to help promote and raise literacy since the university adheres to excellence in the development of globally competitive individuals, aside from being morally upright as well.

III. OBJECTIVES

The following objectives shall be met in the course of implementing the project:

- Be able to commit OSY or older learners to enroll in the ALS program;
- 2. Be able to monitor the growth of the ALS students through the CVSU Gen. Trias faculty and student staff who will be their teachers;
- 3. Be able to produce graduates in secondary or BLP Program
- Be able to help the ALS students continue through college by means of monitoring their success step-by-step.

IV. STRATEGIES

- First step is to promote CvSU-Gen. Trias Campus as ALS Service provider by means
 of mapping the 4Ps beneficiaries as endorse by the DSWD and also barangays that
 Ms. Arellano (DepEd-Cavite ALS Coordinator) has identified where ALS learners are
 located. These are specifically barangays 1) Vibora, 2) Arnaldo, 3) 1896, and 4) Sta.
 Clara.
- Gather at least 30 students who would like to enroll in the ALS Program
- ALS has two programs available: 1) For ages 16 to 17 and above who have not yet graduated in Junior High School and 2) BLP (Basic Literacy Program) for "no-read-nowrite" students.
- Registration starts in June 2022 and ALS classes will commence in August 2022.
- During enrollment, ask for the enrollees' Philippine Statistics Authority's (PSA) birth certificate and list their salient information such as Name, Birthday, etc.
- CxSU Gen. Trias will provide teachers as staff while DepEd ALS will provide the soft copy of the modules. Gen. Trias will be the one to print the modules.
- ALS will notify CySU Gen. Trias for trainings in implementing ALS and in including the campus in a Caravan via FB.

V. EXPECTED OUTPUT / OUTCOME

6Ps/2Is	OUTPUT/OUTCOME
Publications	Publish the social and economic impact of this project
Patents/IP	
Products	
People Services	
Places and	Increased participation of the local government partners in the endeavor to
Partnerships	uplift the lives of their constituents
Policy	
Social Impact	Reduced number of high school drop-outs
Economic Impact
